Time	Session Summary
9:30 – 10:00	Arrival – Tour de table
10:00 – 11:00	<p>High-Level Session</p> <p><i>Summary of the Session:</i> The session will inform and give an overview on the progress of the 2050 Pathways Platform since COP 22. There will also be an announcement from a key development agency.</p>
11:00 – 12:00	<p>A Model 2050 Pathway – Panel Discussion</p> <p><i>Summary of the session:</i> This session will discuss the ‘Handbook’ that articulates some of the key elements of a 2050 pathway. The session will also have implementing stakeholders who will share their experience with the development of long-term climate strategies. The session intends to identify some of the key elements for 2050 pathways that could be shared across different stakeholders.</p>
12:00 – 13:00	<p>Addressing Barrier Towards Ambitious 2050 Pathways Brainstorming</p> <p><i>Summary of the session:</i> This session will identify and weed out various barriers that are being faced by countries, regions, cities and businesses in developing ambitious 2050 pathways. The session will then move on to a focused discussion on what the platform could do to address these barriers.</p>
13:00 – 14:00	Lunch
14:00 – 15:00	<p>Attracting Investments – Panel Discussion</p> <p><i>Summary of the session:</i> This session will ask what role the financial sector sees for long-term pathways in their activity. It will also discuss what elements of 2050 pathways could help in attracting investments.</p>
15:00 – 15:30	<p>Building Political Momentum – Brainstorming</p> <p><i>Summary of the session:</i> Looking ahead at the crucial year of 2018, the session will focus on key political interventions that could be made to build momentum towards 2050 strategies.</p>
15:30 – 16:00	Closing Remarks
